PROJECTS

Financial-Assiatant | <https://github.com/JacobRyanHanson/finance-assistant> | <https://jacobryanhanson.github.io/finance-assistant/>

- Financial assistant is a web based application used to view prices of the stock market and crypto markets. Using server side api's to retrieve this data.
- responsible for the api calls and parsing the json data received and allowing that data to be viewed in a user friendly way.
- JavaScript, HTML5, CSS, and Server Side Api's.

MVC-Tech-Blogz | <https://github.com/dylan-fair/MVC-Tech-Blogz> | <https://secure-fjord-43914.herokuapp.com/>

- MVC Tech Blogz is a web application where users can login and make blog posts, comment on posts, and upvote posts.
- built the entire application myself using a Model, View, Controller format.
- JavaScript, Handlebars, Express, Sql, Sequelize, Session Cookies, and CSS.

Give-Away | <https://github.com/dylan-fair> | <https://safe-beyond-95818.herokuapp.com/>

- Give-Away is an ecommerce store like facebook marketplace where users can post items, and review items.
- My responsibilities on this application were the models, public side javascript and express api routes.
- JavaScript, Handlebars, Express, Sql, Sequelize, Session Cookies, and CSS.

EXPERIENCE

Director of Media Richardson Motors

2019 – 2020
Dubuque , IA

As director of media the responsibilities were to take pictures of each car that came in and then upload them in realtime to the website for customers to see. With so many cars coming in daily gaining skills in time management, problem solving, and uploading images in real time.

Zipline tour guide Sky Tours

May/2020 – Aug/2020
Dubuque , IA

As a zipline tour guide's were tasked with ensuring the safety, comfortability, and enjoyment of each guest. Giving out two tours each day of up to 12 people from all over gaining experience in communication, adaptability and listening effectively.

EDUCATION
